

In conjunction with the **Art of Seating: 200 Years of American Design** exhibit at the Albany Institute of History & Art, Partners for Albany Stories (PAST) offers this **PASTport** for 20% off adult admission at our sites during October 2016.

Get your **PASTport** stamped and signed by an employee or a volunteer at 3 sites and enter to win one of the prizes at a drawing in November (see reverse)!

PARTNERS *for* ALBANY STORIES

A collaboration exploring the stories of Albany's rich history

PASt invites you to visit our sites & explore these clues to Pull Up A Chair stories:

A seat of power, literally and figuratively.

A chair with a secret... but keep a lid on it.

A chair where Jefferson, Tallyrand, Hamilton and the Patroon likely sat (not all at once!).

A chair where angels may have sat.

The spot of many a close shave.

Art, function, craftsmanship, and history at one seating.

The chair of a future President (and the man on the dime).

A man who chaired a committee of brave members working for freedom and justice.

A fanciful chair that solved a problem.

For more information on tours and programs, see the companion brochure and/or visit www.albanyinstitute.org/art-of-seating.html.

Submit your entry at any PASt site before the drawing on November 4, 2016. Discounts do not apply to program fees. Note that The Art of Seating exhibit and many sites are open through 12/31/16.
