This auction celebrates and promotes one of the Capital Region's greatest assets: its vibrant community of working artists. The Albany Institute has worked with contemporary artists for generations, and this art auction will continue the museum's support of local art. Proceeds raised will be shared between the Albany Institute and the presenting artists, encouraging generations of art creators and art appreciators to continue to thrive in the Capital Region.

Tickets for Work of Art start at \$75. For more information and to purchase tickets, order them online, call Briana at 463-4478, ext. 412, or email her at thomasb@albanyinstitute.org. Tickets will not be mailed. Please check in at our registration desk on the night of the event.
