Related Material

[This section describes other collections that have a common provenance, creator or subject matter. Sometimes it is used to describe the fact that parts of a collection have been transferred to other custodial units with the organization, which are listed in the Separated Materials sub-section below. For example, photographs have been

transferred to the photo collection or books have been transferred to the general collection.]

Separated Materials

[List any materials here that have been separated out from the main body of records, including the call number.]
