Do you recognize this picture of Albany?
This is what the city looked like over 150 years ago!

What do YOU think?
What are some differences between colonial Albany and present-day Albany?

Write
Write down some ideas of what places you should find in a city (Libraries? Museums?)

When Europeans first went to North America, it was mostly because people wanted items for trade. But soon all kinds of people began to settle down in Albany, and began shaping a community!
